## **Inclement Weather Conditions**

### **Winter Fours & Autumn Triples**

#### **Washouts – Prior to Commencement**

In the event that games are abandoned prior to the commencement of games each team will be awarded 2 points.

If the morning games are abandoned and the afternoon games are played – the teams playing in the morning will be awarded 2 points each.

If the afternoon games are abandoned and the morning games are played and if the majority of games have not been completed then all teams will receive 2 points.

If games are abandoned prior to the commencement it is preferred that the decision to abandon is by the consensus of the members playing. If a consensus cannot be reached two or more members of the Committee of Management &/or Men's Sub-committee present will make the decision.

#### **Washouts – After Commencement**

In the event of adverse weather conditions after play has commenced two or more members of the Committee of Management &/or Men's Sub-committee present will make the decision to abandon play.

In the event that play is abandoned then in the Winter Fours - 15 ends, Autumn Triples and Winter Fours (half games – 11 ends) - 8 ends must be completed to constitute a game. When 50% or more games are played (included both morning and afternoon games) points shall be allocated for all completed games. Those games not completed, teams will be awarded 2 points each.

#### **Finals Washout – Prior to or After Commencement**

In the event that play is abandoned, the team which finished higher on the points ladder after completion of the round-robin competition in the Winter Fours will be deemed the winner.
