- The names and individual handicaps for both team's players are to be entered in the appropriate playing position spaces.
- The total team handicap for both teams – both the calculated and the rounded number – are to be entered in the space next to the team name.
- When scoring at the end of the first end, the scoring team adds the end score to its handicap to come up with their total score. The non-scoring team enters their handicap as their total score at the end of the first end.
- At the conclusion of the game place the total score for each team in the appropriate space at the bottom on the front of the scorecard.

**DON'T FORGET TO HAND IN YOUR SCORECARD AT THE END OF THE GAME**
